## Funding

Financing your care can be worrying, which is why we are more than happy to discuss the best payment plan for you. If you qualify for funding from your local authority, they will commission and

pay for the service we provide, you will have the option to control the funding yourself through a personal budget or direct payment. If you do not qualify for funding, you can pay for your care privately by cheque or direct debit, we will ensure transparency in our charges by providing you regular statements of account. We are happy to discuss other funding options for your care to ensure the best solution for your circumstances.

At Cornerstone, we ascertain our client's needs and deliver satisfactorily. Accordingly, make sure your needs are met, we value individual traits juxtaposed with our skills and qualities – enabling a sense of touch, comfort, and belonging. Our services are broad, encompassing your preferred choice in every way needed.
